A resident mentioned the Albert Close and Victoria Close junction – residents are encouraged to report any near-miss incidents on the roads at [Report a near miss on our roads - North Lincolnshire Council](#); there is a 3 monthly walk around with the Parish Council and North Lincolnshire Council where road issues are identified and solutions sought.

A resident asked about planning outside the development zone; all planning applications are considered on their own merit and advice needs to be directed to the planning department at North Lincolnshire Council.

A parishioner mentioned the flags; these have brought up with the Ward Councillors and Rob Waltham who addressed the meeting last month. The Parish Council can only raise this with North Lincolnshire. The resident mentioned that it will soon be Remembrance Day and believes that this is not what Remembrance Day is about.

Barnetby in Bloom: There was a very successful bulb planting morning on Sunday 19th along the verges on Kings Road. Thanks to all who came along to help. The weather was kind, and as a result of publicising the event, we gained 4 new members! Particular thanks to Kathy and Peter Booker for donating the bulbs. It was also great to have Alex Clark, a young man joining us to do his service to the community for his bronze DofE award.

We will also be getting his help, along with a couple of other young helpers, to build our new planters on Queens Road, which will hopefully be in place before this meeting, during half term week.

The boxes and planters continue to be tended and are still giving a lot of colour, along with shelter for the mini-beasts, even this late in the season. We look forward to the new signs celebrating the success
